

Parish Council Pigeon

Digital signage for UK communities

New for Parish Councils!

A noticeboard your parish will love.

Turn any TV in your village hall or community centre into a bright, friendly digital noticeboard. Events, news and photos roll gently past, and you update it all from your phone or using our simple web-based control panel.

Shown portrait. Landscape works too.

WHAT GOES ON SCREEN?

Everything happening in your village.

Upcoming events, council news, photo galleries, clubs and groups, and community updates.

ALREADY WITH US?

Slides that match your website.

We design unique branded slide templates to match your council website, so you can create professional looking slides in seconds.

- ✓ Portrait or landscape screens
- ✓ Works with any TV that has HDMI
- ✓ Just £25 a month + VAT, no setup fee

HOW IT WORKS

A small box, any screen, no fuss.

Plugs into any TV

We send a small box that connects to any TV or monitor with an HDMI port. It needs WiFi to work.

Portrait or landscape

Mount your screen whichever way suits the space. Slides show in crisp Full HD.

No design skills needed

We build branded templates for you. Just add your words and photos, and every slide comes out looking smart.

Update from your phone

Add, change and remove slides from your control panel or our app, wherever you are. Or send us an email and we'll do it for you.

Runs to your timetable

Give each slide a start and finish date, and it appears and disappears on cue.

Real people, here to help

Our friendly Chester-based team help you get set up and are on hand whenever you need us.

What can your screen show?

Village events

Council news

Meeting dates

Photo galleries

Clubs & groups

Hall bookings

Video

One simple price

No contract, no setup fee

First screen

£25 a month + VAT

Display box, software, slide templates and unlimited support.

Each extra screen

£15 a month + VAT

Add screens around the parish, all updated together.

Rented month by month. You supply the TV or monitor and a WiFi connection, we supply everything else. Unlimited support subject to fair usage. Parish councils can usually reclaim the VAT.

Ready to light up your village hall?

Book a free demo, with no hard sell and no obligation.
